2020-2021
Suspension of face-to-face classes

30th November, 2020

Dear Parents/Guardians :

The Education Bureau (EDB) announced on 29th November that in light of the worsening situation of the COVID-19 epidemic, all kindergartens as well as primary and secondary schools (including special schools and schools offering non-local curriculum) will suspend face-to-face classes and school activities starting from this Wednesday (2nd December 2020) until the beginning of school Christmas holidays.

Refer to the guidelines from EDB, the related arrangements and measures that schools would implement during the period of suspension of face-to-face classes to sustain students' learning at home through flexible use of various learning modes. During such period, schools will remain open to take care of those students who have to go back to schools because of the lack of careers at home. We will arrange staff to be on duty to handle school affairs, answer parents' enquiries and take care of those students who have returned to schools. Schools should also ensure that the campus environment is clean and hygienic.

Parents should take precautionary measures for COVID-19 and pay close attention to the health conditions of their children. They should avoid bringing their children to crowded places with poor ventilation. Students should maintain a balanced diet, exercise regularly and take adequate rest in order to strengthen their immunity. If students are feeling unwell (even if the symptoms are very mild), they must not return to schools and should seek medical advice promptly to receive appropriate diagnoses and treatments.

For further enquiries, please feel free to contact the class teacher at 2386 2010.

Yours faithfully,

Chung Lai Kuen
