

Chi Yun School (Dormitory Department)  
Infection of Influenza A of Students in Dormitory

To whom it may concern,

Centre for Health Protection informed us today that in the aspect of the break out of Influenza A of Students in Dormitory, due to all the inflected students have recovered and there no new case of inflection, our school has been removed to the normal prevention and control measures. Effective prevention and control measures depend on everyone's co-operation. Please pay attention of the personal and environmental hygiene.

Yours faithfully

Yung Wai Man  
Head of Dormitory
