

**CHI YUN SCHOOL**  
**2020-2021**  
**The arrangements for new academic year**

28<sup>th</sup> August, 2020

Dear Parents/Guardians :

The Education Bureau (EDB) announced on 3rd August that, schools including primary, secondary and special schools that commence in September, may commence the new school year in accordance with their originally scheduled dates. That said, in view of the severity of the epidemic, all face-to-face classes and on-campus activities will have to be suspended until further notice, and schools may switch to other modes, including online learning, to let students study at home.

Refer to the guidelines from EDB, the schools will use video as learning tools during the half-day teaching sessions. We will prepare learning tools regularly, if students may need learning materials or therapeutic equipment, the school will arrange them for students to use at home.

During the summer holiday, our school has thoroughly cleaned and disinfected the school premises. We have urged all staff members, including school bus drivers to step up precautionary measures to maintain personal hygiene and environmental hygiene of the school. Besides, we will also request all the staff who have contacts with our students, including drivers and workers of school bus, to take their temperature before going to school. If they have fever, they must not return to school. However, we are mindful of the rapidly changing nature of the COVID-19 pandemic, we will keep in view the latest development, and parents should pay close attention to any latest announcements of our school as well as the EDB.

After the commencement of the new school year, schools will remain open from 9:00 am to 3:30 pm every Monday to Friday, to accommodate students who have to go back to school because of a lack of care at home. For further enquiries, please feel free to contact the class teacher at 2386 2010.

Yours faithfully,

Chung Lai Kuen

Principal, Chi Yun School
