**2022/23 School Year**  
**School Dental Care Service and Student Health Service (Primary Section)**

26<sup>th</sup> August, 2022

Dear Parents / Guardians,

The School Dental Care Service (SDCS) and the Student Health Service (SHS) of the Department of Health are now conducting enrolment exercise for the 2022 / 2023 school term. We would like to invite school children to participate in the services. For primary school students, a joint enrolment form is now available and parents only need to fill in one form to enroll in both services for their children. The service period starts from November 2022 to October 2023.

Students who join School Dental Care Service would be arranged to clinic for their oral checking and therapy. Only school children under the age of 18 as at 1<sup>st</sup> September 2022 are eligible to join the SDCS. Applicants have to pay \$30 for application. Helpers or parents are required to accompany their children during treatment. The SDCS will provide a chartered bus service to and from the clinic during school days for the participants. Enrolled students may seek emergency service during office hours at Argyle Street Jockey Club School Dental Clinic.

The Student Health Service is provided free. The scope of service covers physical examination, health assessment, individual health counselling and health education. Enrolled students of Student Health Service will be given an annual appointment at Lam Tin Student Health Service Centre. The SHS will provide a chartered bus service to and from the centre during school days for the participants. Parents will be requested to provide information or history about the student of his/her family to the SHSC. Therefore parents are required to accompany their children during treatment.

For Application, please complete the application form, together with the application fee (\$30 for Dental Care Service only) and return to the school office on or before 9<sup>th</sup> September, 2022. **The location, attending class and services may be adjusted according to the latest epidemic situation. Please pay attention to the further announcement.**

Yours faithfully,

Chung Lai Kuen
