We would like to invite school children to participate in the services. For primary school students, a joint enrolment form is now available and parents only need to fill in one form to enroll in both services for their children. The service period starts from November this year to October next year.

Students who join School Dental Care Service would be arranged to clinic for their oral checking and therapy. Only school children under the age of 18 as at 1st September 2025 are eligible to join the SDCS. **Applicants have to pay \$36 for application. Helpers or parents are required to accompany their children during treatment.** The SDCS will provide a chartered bus service to and from the clinic during school days for the participants. Enrolled students may seek emergency service during office hours at Argyle Street Jockey Club School Dental Clinic.
