2024-2025 School Year
Household Application for Student Financial Assistance Schemes
(For new applicants)

2nd September, 2024

Dear Parents/Guardians :

“Household Application Form for Student Financial Assistance Schemes” is a family-based application form which facilitates families with child(ren) attending primary and secondary school(s) or kindergarten(s) / child care centre(s) to apply for student financial assistance. If parents wish to apply the scheme above, you can request a paper application form from school and send the completed form directly to the Student Finance Office(SFO). Under normal circumstances (except financial assistance for pre-primary students), **the SFO will not accept any “Household Application Form for Student Financial Assistance Schemes” submitted on or after 1 March 2025.** The SFO may give special consideration to cases with exceptional circumstances.

Starting from May 2025, applicants who have not received financial assistance for pre-primary students in the 2023/24 school year (including new applicants) may also complete the E-Form and submit their applications for pre-primary students online directly. Applicants may submit their applications after completing the E-Form and uploading necessary supporting documents to the website of SFO.
