## 2018-2019 Parental Consent for Participation in Physical Education Lesson

Dear Parents/Guardians,

Physical Education is a core part of our curriculum, students' attendance is mandatory. Please note that parents should seek doctor's advice and permission to determine if your child is in good physical condition to participate in Physical Education. Should there be any reasons that your child needs an exemption to attend Physical Education, please provide the school a certified doctor's note. If you have any enquiry, please contact Ms Chan Kin Wai.

Sincerely,

Chi Yun School Principal
