**Life-wide Learning Activity Notice**

6th September, 2024

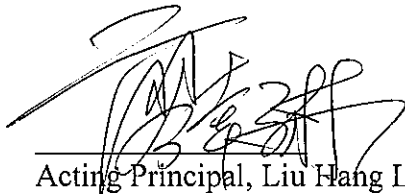

Dear Parents,

Our school will be organizing a variety of comprehensive learning activities for students during the 2024-2025 academic year. The aim is to provide students with opportunities to learn in real-life contexts and enrich their life experiences. The activities include mural creation, exhibition appreciation, concerts, sports days, buffets, and more. For detailed information about each activity, please refer to Attachment 1. Each activity will be led by our school staff.

We kindly request that you provide your consent for your child to participate in the activities organized by the school this year. However, the final decision on whether the student can participate in these activities will be made by the school. Additionally, prior to each activity, we will send out a notification to parents. If you agree to your child's participation, no response is necessary. If you do not agree, please contact the class teacher or the coordinating teacher before the deadline stated in the notification, so that arrangements can be made.

Thank you for your attention.

Yours faithfully,

Acting Principal, Liu Hang Lam  
Chi Yun School
