

CHI YUN SCHOOL
2020-2021 School Year
Application for provision of Student Grant in 2020/21 school year

9th October, 2020

Dear Parents/Guardians :

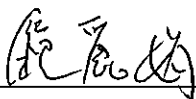

The Education Bureau (EDB) issued a circular memorandum to all secondary day-schools, primary schools and kindergartens on September 29, announcing the arrangements for the provision of the Student Grant to day-school students in the 2020/21 school year.

The student grant is non-means-tested. All students who are, as at the date of application, studying in secondary day-schools, primary schools and special schools (including public sector schools, Direct Subsidy Scheme (DSS) schools, English Schools Foundation schools and private schools) as well as kindergartens (whether having joined the kindergarten education scheme or not) offering local or non-local curriculum in Hong Kong, are eligible for the grant. Students of evening schools, students of private studies, holders of student visa for entry into Hong Kong for studies and holders of Form of Recognizance issued by the Immigration Department are not within the scope of subsidy.

Applicants are not required to provide other documents at this stage. We will make use of available school, student and applicant information to conduct verification as far as possible. Applicants will only be required to provide documents when necessary. The EDB will contact parents via **SMS and email** as appropriate to inform them of the status of their applications. As parents generally possess local bank accounts, the subsidy will be disbursed to parents via bank transfer.

The application form is enclosed and please **returns before 4pm October 28, 2020**. After parents have duly completed the application forms, we will verify the student status and submit them to the EDB.

Yours faithfully,

Chung Lai Kuen

Principal, Chi Yun School
