**Re: Regarding the briefing session of "Continuation of Boarding Services for Students 24-25" and  
the tasting of students' lunch.**

18<sup>th</sup> October, 2024

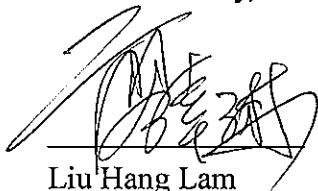

Dear Parents/Guardians :

The Education Bureau has always believed that students should grow up in their original family environment as much as possible, living with their families to establish close parent-child relationships. Due to limited boarding places, the Education Bureau requires all special education schools with dormitory facilities to review the ongoing need for boarding services for existing students each year, in order to ensure that these services are provided to those students most in need.

To help parents/guardians understand our school's policy on reviewing accommodation needs, we will hold a briefing session on "Continuation of Boarding Services for Students in the 2024-2025 Academic Year" on November 4, 2024 (Monday) at 11:30 AM. On the same day at 12:00 noon, our school's Healthy Campus Team also invites parents/guardians to participate in a tasting of the students' lunch, to understand the lunch situation at school.

If you wish to register, please complete the relevant reply slip by 4 pm on November 1, 2024 (Friday). For any inquiries, please feel free to contact the dormitory supervisors or Mr. Li Sheung Him at 2386 2010.

Yours faithfully,

Liu Hang Lam  
Acting Principal, Chi Yun School
