Latest Arrangements for Rapid Antigen Tests

24th February, 2023

Dear Parents/Guardians :

The Education Bureau (EDB) has informed all schools in Hong Kong that the requirement for students to conduct RATs each day before going to school announcement on 20 January 2023 will be updated as follows:

- **Primary Schools, KGs, and Special Schools**
The requirement for students of primary, KGs and special schools (including boarding sections) to undergo daily RAT before going to school will be maintained until 15 March 2023. For the arrangements thereafter, EDB will review the situation and make timely announcement.

In addition, EDB will continue to distribute RAT kits to students with financial needs who are still required to observe the daily RAT requirements through primary schools, KGs and special schools.

Thank you for your attention. If you have any further enquiries, please feel free to contact class teacher, hostel parents or nurse-in-charge (Tel: 2386 2010).

Yours faithfully,

Chung Lai Kuen
Principal, Chi Yun School
