**Arrangements on Deferral of Class Resumption**

2<sup>nd</sup> March, 2020

Dear Parents / Guardians:

In consideration of the development of the novel coronavirus epidemic, the Education Bureau (EDB) announced on February 25 that classes of all schools (including kindergartens, primary schools, secondary schools, special schools and private schools offering non-formal curriculum) will continue to be suspended, with classes to be resumed on 20 April the earliest. The exact date of class resumption is subject to further assessment. The EDB will continue to act on medical advice and take into account schools' preparation work and the supply of protective equipment in the community, and will decide on the date of class resumption when the conditions are ready for it.

During the period of postponement of class resumption, our school will remain open to take care of the students who might be unattended at home, and we will step up cleansing and take preventive measures.

Thank you for your attention. If you have any further enquiries, please feel free to contact nurse, warden, class teacher or hostel parents (Tel: 2386 2010).

Yours faithfully,
