Student Health Service

26th June 2020

Dear Parents,

In view of the development of the coronavirus (COVID-19), the **Student Health Service (SHS)** has made an adjustment. A total of 13 Student Health Service Centres (SHSCs), including Special Assessment Centres, of the DH have suspended service since January 29. Therefore the Student Health Service this year will be postponed until further notice.

Yours faithfully,

Chung Lai Kuen,
Acting Principal, Chi Yun School
