Re: Quarantine order for our students

9th July 2022

Dear Parents,

In response to a staff member who was found confirmed with COVID-19 on 8th July 2022 (see Circular P093), 13 students of our school were assessed as close contacts by the Centre for Health Protection. One of the students has been arranged to be admitted to the hospital, and some of the other 12 students are under medical surveillance in the school hostel according to the quarantine order due to lack of family care.

Besides executing quarantine order in accordance with the guidelines of the Centre for Health Protection, the school continues to strengthen campus cleaning and disinfection, and implement various related infection control measures. The school will notify students and their parents as soon as possible for any update.

Our school will keep close contact with CHP and closely monitor the health conditions of our staff and students. If parents want to obtain more information of COVID-19, please refer to the relevant website: <https://www.coronavirus.gov.hk/eng/index.html> or call the CHP hotline (Phone number: 2125 1111 / 2125 1112). For enquiries on the situation of school, please call your respective hostel instructors, class teachers or call the nurse-in-charge at 2386 2010.

Yours faithfully,

Chung Lai Kuen
Principal, Chi Yun School
